Re: Summary of Quarterly Cleanup, October 21-25, 2013

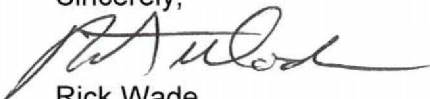

Dear Mr. Adams:

Our Citywide quarterly cleanup was completed the week ending October 25th. Over 80 tons of additional waste was collected and hauled to the Edom Hill Transfer Station. In addition to the electronic waste, we collected over 35 tires, which are transported to Fontana and recycled.

This Cleanup has started to show a pattern where residents are becoming accustomed to the regular quarterly Cleanups, as well as signs that the volumes are declining from streets that, historically, have set out high volumes of debris.

Overall, our Cleanup went smoothly. Our next cleanup is scheduled for the week of January 27-31, 2014.

Sincerely,

Rick Wade
V.P./G.M.
