Section 16. COMPLIANCE WITH LAWS

Consultant shall comply with all local, state and federal laws and regulations applicable to the services required hereunder.

Section 17. INDEMNIFICATION

Consultant shall defend, indemnify and hold harmless the City, its officers, officials, agents, employees and volunteers from and against any and all claims, demands, actions, losses, damage, injuries, and liability, direct or indirect, (including any and all costs and expenses in connection therewith), arising out of the performance of this Agreement, except for any such claim arising out of the sole negligence or willful misconduct of the City, its officers, agents, employees or volunteers.

b. The City does not, and shall not, waive any rights that it may have against Consultant under this Section because of the acceptance by the City, or the deposit with the City, of any insurance policy or certificate required pursuant to this Agreement. c. Notwithstanding the provisions of subsections a. and b. of this section, Consultant shall not be responsible for damages or be in default or deemed to be in default by reason of delay caused by strikes, lockouts, accidents, or acts of God, or the failure of the City to furnish timely information or to approve or disapprove Consultant's work promptly, or by reason of delay or faulty performance by the City, construction contractors, or governmental agencies, or by reason of any other delays beyond Consultant's control, or for which Consultant is without fault.

Section 18. INSURANCE REQUIREMENTS

a. Policies. Consultant, at Consultant's own cost and expense, shall procure and maintain, for the duration of this Agreement, the following insurance policies;

(1) Worker's Compensation Coverage. Consultant shall maintain Worker's Compensation Insurance and Employer's Liability Insurance for its employees in accordance with the laws of the State of California, of an amount not less than one million dollars (\$1,000,000) per accident. In addition, Consultant shall require each subcontractor to similarly maintain Worker's Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California for all of the subcontractor's employees. If any class of employees employed by Consultant pursuant to this Agreement is not protected by the California State Worker's Compensation Law, Consultant shall provide adequate insurance for the protection of such employees to the satisfaction of the City. This provision shall not apply if Consultant has no employees performing work under this Agreement. If Consultant has no employees for the purposes of this Agreement, Consultant shall sign the Certificate of Exemption from Worker's Compensation Insurance, attached hereto as Exhibit "B." Consultant agrees to waive its statutory immunity under any worker's compensation or similar statute, as respecting the City, and to require any and all subcontractors and any other person or entity involved in the Services to do the same.

(2) General Liability Coverage. Consultant shall maintain commercial general liability insurance in an amount not less than two million dollars (\$2,000,000) per occurrence, combined single limit coverage for bodily injury, personal injury and property damage associated with work contemplated in this Agreement. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Consultant shall provide insurance on an occurrence, not claims-made basis. Consultant acknowledges and agrees that, for purposes of clarification with the intention of avoiding gaps in coverage with any umbrella or excess coverage, personal and advertising injury coverage shall be triggered by an "offense" while bodily injury and property damage coverage shall be triggered by an "occurrence" during the policy period. The coverage required in this paragraph shall provide at least as much coverage as that provided by ISO form CG 00 01 12 07 or any updated form thereof.

(3) Automobile Liability Coverage. Consultant shall maintain automobile liability insurance covering bodily injury, personal injury and property damage for all activities of the Consultant arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired and non-owned vehicles, in an amount of not less than one million dollars (\$1,000,000) combined single limit for each occurrence, and two million dollars (\$2,000,000) in the aggregate. As an alternative, Consultant shall be permitted to obtain a non-owned automobile endorsement to its comprehensive general liability insurance providing the same protection and coverage as though Consultant were to provide separate commercial vehicle liability insurance as set forth in this paragraph. The coverage required in this paragraph shall provide at least as much coverage as that provided by ISO form CA 00 01 or any updated form thereof.

(4) Professional Liability Coverage. Consultant shall maintain professional errors and omissions liability insurance for protection against claims alleging negligent acts, errors or omissions which may arise from Consultant's Services, whether such Services are performed by Consultant or by its employees, subcontractors, or sub-consultants, to the extent such persons other than Consultant are permitted to perform any of the Services under this Agreement. The amount of this insurance shall not be less than one million dollars (\$1,000,000) per claim, and two million dollars (\$2,000,000) in the aggregate.

b. Endorsements. Unless otherwise specified hereunder, each insurance policy required herein shall be with insurers possessing a Best's rating of no less than A:VII and shall be endorsed with the following specific language:

(1) Except for worker's compensation, errors and omissions, or professional liability coverage, the City, its elected or appointed officers, employees, agents and volunteers are to be covered as additional insureds with respect to liability

arising out of work performed by or on behalf of the Consultant, including materials, parts or equipment furnished in connection with such work or operations.

(2) This policy shall be considered primary insurance as respects the City, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have shall be considered excess insurance only and shall not contribute with it.

(3) This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

(4) The insurer waives all rights of subrogation against the City, its elected or appointed officials, officers, employees or agents.

(5) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents or volunteers.

(6) The insurance provided by this policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days written notice has been received by the City.

c. Deductibles and Self-Insured Retentions. Consultant shall disclose to and obtain the approval of City for any self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement. During the period covered by this Agreement, only upon the prior express written authorization of the City Manager, Consultant may either reduce or eliminate such deductibles or self-insured retentions with respect to City, its officers, employees, agents, and volunteers. The City Manager may condition approval of any reduction or elimination in deductible or self-insured retention levels with a requirement that Consultant procure a bond, guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.

d. Certificates of Insurance. Consultant shall provide certificates of insurance with original endorsements to the City as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the City on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the City at all times during the term of this Agreement.

e. Imposition of Insurance Requirements. Provided the City gives its written consent for any persons other than Consultant to perform any part of the Services, Consultant agrees to require that all parties, including but not limited to subcontractors, architects, engineers or others with whom Consultant enters into contracts or whom Consultant hires or retains pursuant to or in any way related to the performance of this Agreement, provide the insurance coverage required herein, at

minimum, and name as additional insureds the parties to this Agreement consistent with Section 18b(1) hereof. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Section.

f. Maintain Coverages. In the event this Agreement is terminated for any reason prior to the completion of all obligations and requirements of this Agreement, Consultant agrees to maintain all coverages required herein until the City provides written authorization to terminate the coverages following the City's review and determination that all liability posed under this Agreement as to the party providing insurance has been eliminated.

g. Failure to Obtain Coverages. Consultant agrees and acknowledges that if it fails to obtain all of the insurance required in this Agreement in accordance with the requirements herein, or to obtain and ensure that the coverage required herein is maintained by any subcontractors or others involved in any way with the performance of Services, to the extent such is permissible under this Agreement, Consultant shall be responsible for any losses, claims, suits, damages, defense obligations, or liability of any kind or nature attributable to the City or its officers, employees, servants, volunteers, agents and independent contractors.

h. Notice of Cancellation or Reduction in Coverage. In the event that any coverage required in this Agreement is canceled, reduced, limited, or materially affected in any other manner, Consultant shall provide written notice to the City either by telephone, facsimile and/or via certified mail, at Consultant's earliest possible opportunity and in no case later than two (2) business days after Consultant is notified of the change in coverage.

b. The party which may claim that a default has occurred shall give written notice of default to the party in default, specifying the alleged default. Delay in giving such notice shall not constitute a waiver of any default nor shall it change the time of default; provided, however, the injured party shall have no right to exercise any remedy for a default hereunder without delivering the written default notice, as specified herein.

c. Any failure or delay by a party in asserting any of its rights or remedies as to any default shall not operate as a waiver of any default or of any rights or remedies associated with a default.

In the event of a material breach, the injured party shall be entitled to seek any appropriate remedy or damages as otherwise set forth herein and by initiating legal proceedings.

If Consultant materially breaches any of the terms of this Agreement, the City's remedies shall include, but shall not be limited to, the following:

If the City consents to such subcontract, Consultant shall be fully responsible to the City for all acts or omissions of the subcontractor. Nothing in this Agreement shall create any contractual relationship between the City and subcontractor nor shall it create any obligation on the part of the City to pay or to see to the payment of any monies due to any such subcontractor other than as required by law.

Section 25. WAIVER

a. No waiver shall be binding, unless executed in writing by the party making the waiver.

b. No waiver of any provision of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any such waiver constitute a continuing or subsequent waiver of the same provision.

c. Failure of either party to enforce any provision of this Agreement shall not constitute a waiver of the right to compel enforcement of the remaining provisions of this Agreement.

Section 26. SEVERABILITY
