

REPORT TO THE COMMUNITY AND CULTURAL AFFAIRS COMMISSION

DATE: October 12, 2016

TITLE: Entry Monument Sign

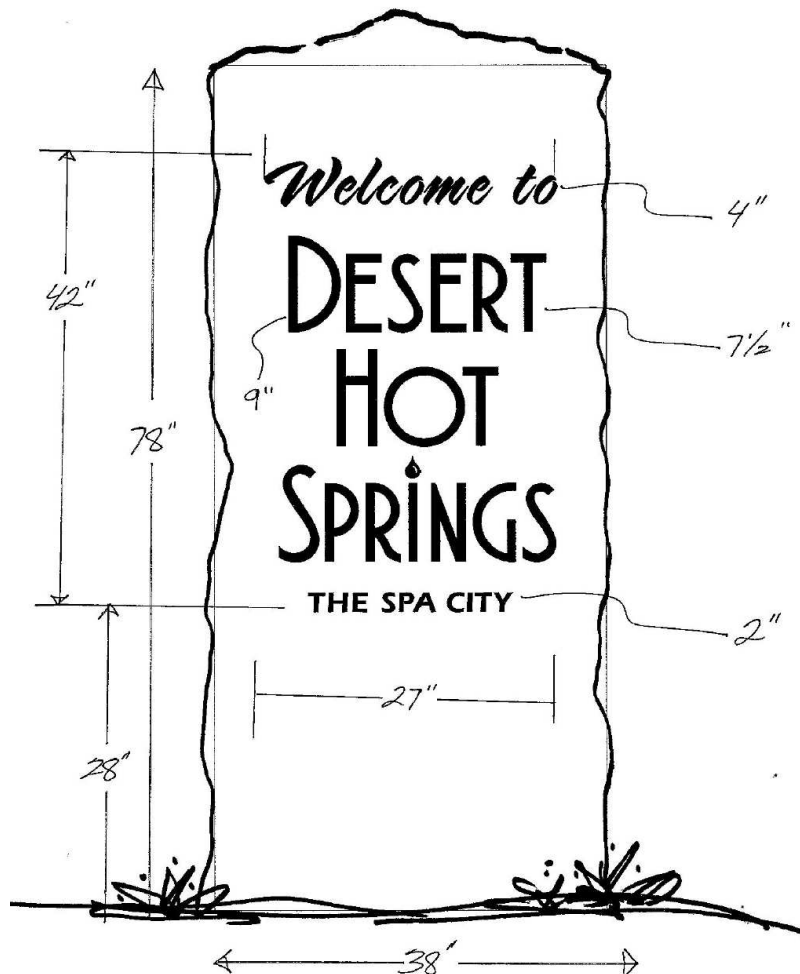

Prepared by: Daniel Porras P.E. Public Works Manager

RECOMMENDATION

Update and discussion

DISCUSSION

The rock for the entry monument sign at Palm Dr and I-10 has been selected. Low Desert Rock and Supply has the rock on-site, below is the rendering with lettering. Currently scheduling final installation date with various contractors, crane, traffic control, etc. and obtaining encroachment permit from City of Cathedral City. Expect installation to occur in 1-2 weeks.

The location of a future entry monument sign at the location of Highway 62 and Pierson Blvd was proposed and discussed by the commission during the September 29, 2016 meeting. Below is an aerial showing the city boundaries. Desert Hot Springs is north of Pierson Blvd, Riverside County is south of Pierson Blvd, and Caltrans is along Highway 62 as shown below;
