DISCUSSION

During the September 29, 2016 Community and Cultural Affairs Commission (CCAC) Special Meeting, the Commission discussed bringing the Vietnam Veterans Memorial Wall to Desert Hot Springs. The wall would be available the second through the fourth week of June 2017, and it is estimated to cost about \$10,000, which includes the wall, building the base and hotel accommodations.

The Commission requested this item remain to be placed on the agenda for the November meeting.
