WHEREAS, the City Council called a special election for July 6, 2010, at which the questions of levying a special tax and establishing an appropriations limit with respect to the CFD No. 2010-1 were submitted to the qualified electors within the CFD No. 2010-1; and

WHEREAS, on July 6, 2010, the City Council adopted Resolution No. 2010-038 determining the results of the special election and finding that more than two-thirds (2/3) of all votes cast at the special election were cast in favor of the proposition presented, and such proposition passed; and

WHEREAS, the City Council is authorized by Article 3.5 (commencing with Section 53339) of Chapter 2.5 of Part 1 of Division 2 of Title 5 of the Government Code as amended (the "Act"), to annex territory into an existing community facilities district by complying with the procedures set forth in said Article 3.5; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DESERT HOT SPRINGS, ACTING EX OFFICIO AS THE LEGISLATIVE BODY OF COMMUNITY FACILITIES DISTRICT 2010-1 (SERVICES) OF THE CITY OF DESERT HOT SPRINGS, DETERMINE AND ORDER AS FOLLOWS:

Section 1. Intent. The City Council hereby declares that it proposes and intends to conduct proceedings pursuant to Article 3.5 for the annexation to the Community Facilities District of the territory described in Exhibit "A" attached hereto. The City Council determines that the public convenience and necessity require that such territory be annexed to the Community Facilities District.

Section 2. Name of the Community Facilities District. The name of the existing community facilities district is known as "Community Facilities District No. 2010-1 (Services)."

Section 3. Description of Territory Proposed to be Annexed, Annexation Map. The territory proposed to be annexed is included within the boundaries for which property may annex to CFD No. 2010-1 and are more particularly described and shown on that certain map entitled "Boundaries – Potential Annexation Area Community Facilities District No. 2010-1 (Services) of the City of Desert Hot Springs, County of Riverside, State of California," as recorded on June 8, 2010 in Book 74 of Maps of Assessment and Community Facilities District, Page 81, and as Instrument No. 2010-0263725 in the official records of the County of Riverside.

The territory proposed to be annexed to the CFD No. 2010-1 is described in Exhibit "A" attached hereto and by this reference made a part hereof. Such territory is also shown and described on the map thereof entitled "Annexation Map No. 12, Community Facilities District No. 2010-1 (Services), City of Desert Hot Springs, County of Riverside, State of California," which is on file with the City Clerk (the "Annexation Map") and attached hereto as Exhibit B.

Section 4. Description of Authorized Services. The services proposed to be financed by CFD No. 2010-1 (the "Services") include, without limitation, all necessary service, operations, administration and maintenance required to keep the lighting of parks, parkways, streets, roads and open space, which maintenance and lighting services may include, without limitation, furnishing of electrical power to street lights; repair and replacement of damaged or inoperative light bulbs, fixtures and standards; maintenance (including irrigation and replacement) of landscaping vegetation situated on or adjacent to parks, parkways, streets, roads and open space; maintenance and repair of irrigation facilities; maintenance of public signage; graffiti removal from and maintenance and repair of public structures situated on parks, parkways, streets, roads and open space; maintenance and repair of playground or recreation program equipment or facilities situated on any park, and the maintenance and operation of storm drainage and flood protection facilities, including, without limitation, drainage inlets and retention basins. The cost of providing the Services includes "incidental expenses," which include costs associated with the creation of CFD No. 2010-1, determination of the amount of special taxes, collection or payment of special taxes, or costs otherwise incurred in order to carry out the authorized purposes of CFD No. 2010-1. The Services authorized to be financed by CFD No. 2010-1 are in addition to those currently provided in the territory of CFD No. 2010-1 and do not supplant services already available within that territory.

Section 5. Levy of Special Tax. Except where funds are otherwise available, a special tax sufficient to pay the costs of the Services (including incidental expenses), secured by recordation of a continuing lien against all nonexempt real property in CFD No. 2010-1, will be levied annually within the territory proposed to be annexed to the CFD No. 2010-1. Pursuant to Section 53340 of the California Government Code, and the special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes. The rates and method of apportionment, and manner of collection of the special tax are specified in Exhibit C. The rate of special tax to be levied on property within the territory proposed to be annexed to CFD No. 2010-1 in any fiscal year to pay the cost of the services described in Section 4 above shall be equal to the rate of special tax which will be levied on all other property within the CFD No. 2010-1 to pay the cost of such services in such fiscal year.

Section 6. Adoption of Annexation Map. Pursuant to Section 3110.5 of the Streets and Highways Code, the City Council adopts the Annexation Map as the map of the area proposed to be annexed to the CFD No. 2010-1. Pursuant to Section 3111 of said Code, the City Clerk shall file the original of the Annexation map in his office and shall file a copy of the Annexation Map with the County Recorder of the County of Riverside no later than fifteen days prior to the date of the hearing specified in Section 7 hereof.
