

ORDINANCE NO. _____

**AN ORDINANCE OF THE CITY OF DESERT HOT SPRINGS ESTABLISHING
A SPECIAL PUBLIC SAFETY TAX FOR POLICE AND FIRE PROTECTION
SERVICES SUBJECT TO VOTER APPROVAL OF THE VOTERS OF THE
DESERT HOT SPRINGS PUBLIC SAFETY TAX AREA ZONE 21 (LA PLAZA
CENTER, LLC)**

**THE VOTERS OF ZONE 21 OF THE DESERT HOT SPRINGS SPECIAL PUBLIC
SAFETY TAX AREA DO ORDAIN AS FOLLOWS:**

Section 1. Purpose, Intent and Authority.

It is of critical importance to the City Council of the City of Desert Hot Springs that residents of the City receive high quality police and fire protection services. In carefully reviewing the City's budget and revenue projections with the Police and Fire Departments, it has become clear to City staff that the City budget does not contain adequate funding to ensure the continued delivery of adequate high quality public safety services unless additional revenues are obtained.

It is the purpose and intent of this Ordinance to generate additional funds to pay for police and fire protection services by authorizing the levy of a tax on improved parcels of real property on the secured property tax roll of Riverside County that are within Zone 21 of the Desert Hot Springs Special Public Safety Tax Area (the "Zone"). The voters of Zone 21 recognize the importance of adequate public safety services to the entire Desert Hot Springs community and approve this tax to ensure that those services will be maintained and improved citywide.

This tax is a special tax within the meaning of Section 4 of the Article XIII A of the California Constitution. Because the burden of this tax falls upon property, this tax also is a property tax, but this tax is not determined according to nor in any manner based upon the value of property; this tax is levied on a parcel and use of property basis. Insofar as not inconsistent with this Ordinance or with legislation authorizing special taxes and insofar as applicable to a property tax that is not based on value, such provisions of the California Revenue and Taxation Code and of Article XIII of the California Constitution as relate to ad valorem property taxes are intended to apply to the collection and administration of this tax (Section 4 of this Ordinance), as authorized by law. This tax is not an ad valorem property tax; it is an excise tax on the use of property. Because the revenue from the tax may be used only to fund public safety services, it is also a special tax.

The revenues raised by this tax are to be used solely for the purposes of obtaining, furnishing, operating, and maintaining police and fire protection equipment or apparatus, for paying the salaries and benefits of police and fire protection personnel, and for such other police and fire protection service expenses as are deemed necessary for the benefit of the residents of Zone 21.

This Ordinance is enacted pursuant to the authority of Government Code Section 53978 and is in compliance with that law and all others applicable to the tax. At the time that the Council submitted this Ordinance to the voters of Zone 21, there were 0 registered voters residing there and a single property owner. Because the Special Public Safety Tax will be imposed on property in Zone 21 and paid by the owner of the property, the Council finds that

restricting the vote on the Special Public Safety Tax to property owners in Zone 21 is appropriate and consistent with the principles and requirements of California Constitution Article XIII C (Proposition 218).

Section 2. **Definitions.**

The following definitions shall apply throughout this Ordinance.

I. "Parcel" means the land and any improvements thereon, designated by an assessor's parcel map and parcel number and carried on the secured property tax roll of

Riverside County. For the purposes of this Ordinance, parcel does not include any land or improvements outside the boundaries of the Zone nor any land or improvements owned by any governmental entity.

J. "Police protection services" means services protecting the safety of the citizens of the City through the maintenance of law and order, including but not limited to the enforcement of criminal, civil, and vehicular laws and provisions of the Desert Hot Springs Municipal Code; services to enhance the quality of life, environment, and safety of the citizens of the City; services responding to calls for police assistance; services in cooperation with other City departments, including code enforcement and animal administrative costs directly related to those activities.

L. Pursuant to Government Code §53978, "voter" means a person owning real property within the Zone at the time this Ordinance was adopted, as shown on the last equalized assessment roll prepared by the Riverside County Assessor's Office.

Section 3. Amount and Level of Taxes. The tax per year on each parcel in the Zone shall not exceed the amount applicable to the parcel, as specified below.

A. For First Fiscal Year:

The tax per year for the first fiscal year (July 1, 2017 through June 30, 2018) shall be the amount of Tax per Parcel for a Property Use Code Category as set forth in Exhibit C hereto. The use code assigned to each parcel shall be reviewed and updated periodically.

B. For Subsequent Fiscal Year:

In order to keep the tax on each parcel in constant first year dollars for each fiscal year subsequent to the first fiscal year, the tax per year shall be adjusted as set forth below to reflect any increase in the Consumer Price Index beyond the first fiscal year the tax is levied.

For each Property Use Category on Exhibit C, the tax per year on each parcel for each fiscal year subsequent to the first fiscal year shall be an amount determined as follows:

$$\begin{array}{ccccc} \text{Tax Per Parcel} & & \text{Tax Per} & & \text{Consumer Price Index} \\ \text{For the Current} & & \text{Parcel For} & & \text{for April of immediately} \\ \text{Fiscal Year} & = & \text{Preceding} & \times & \text{Preceding Fiscal Year} \\ & & \text{Fiscal Year} & & \text{OR 1.03, whichever is} \\ & & & & \text{less} \end{array}$$

Provided, however, that in no event shall the tax per parcel for any fiscal year be less than the amount established for the first fiscal year.

C. Nature of Tax Levy.

The taxes levied on each parcel pursuant to this Article shall be a charge upon the parcel and shall be due and collectible as set forth in Section 4, below.

D. Reduction of Tax for Parcels Subject to Existing Public Safety Parcel Tax.

The tax imposed on any parcel in Zone 21 shall not be reduced by the amount of tax imposed on that parcel pursuant to Ordinance No. 517 (codified as §§ 35.150 *et seq.* of the Desert Hot Springs Municipal Code). Regardless of the automatic termination of Ordinance No. 517 on June 30, 2020, the tax imposed on any parcel in Zone 21 pursuant to this ordinance shall be the full amount set forth in Exhibit C, adjusted for inflation as provided for in Section 3(B).

Section 4. Collection and Administration.

A. Taxes as Liens Against the Property.

The amount of taxes for each parcel each year shall constitute a lien on such property, in accordance with Revenue and Taxation Code Section 2187, and shall have the same effect as an ad valorem real property tax lien until fully paid.

B. Collection.

The taxes on each parcel shall be billed on the secured roll tax bills for ad valorem property taxes and are to be collected in the same manner in which Riverside County collects secured roll ad valorem property taxes. Insofar as feasible and insofar as not inconsistent with this Ordinance, the times and procedures regarding exceptions, due dates, installment payments, corrections, cancellations, refunds, late payments, penalties, liens, and collections for secured roll ad valorem property taxes (as established by Riverside County) shall be applicable to the collection of this tax. Notwithstanding anything to the contrary in the foregoing, as to this tax:

1. The secured roll tax bills shall be the only notices required for this tax, and
2. The homeowners and veterans exemptions shall not be applicable because such exemptions are determined by dollar amount of value.

C. Costs of Administration by County.

The reasonable costs incurred by the County officers collecting and administering this tax shall be deducted from the collected taxes.

D. Use of Tax Revenue.

The revenue collected from the tax imposed by this ordinance shall be placed into a separate account and may be used only to fund public safety services, including the costs of administering and collecting the tax and enforcing the provisions of this ordinance. Revenue from the tax may be used for public safety services citywide.

E. Refunds.

1. Whenever the amount of any tax, interest or penalty has been overpaid or paid more than once, or has been erroneously or illegally collected or received by the City pursuant to this ordinance, it may be refunded as provided in this Section.

2. No refund may be made except upon a written claim verified by the person who paid the tax or by his or her guardian or conservator or the executor or administrator of his or her will or estate and stating the grounds upon which the claim is made. All claims filed pursuant to this subsection must be presented within one year after payment of the amount for which the claimant is seeking a refund.
3. No order of a refund may be made until a written claim therefore has been presented in accordance with this subsection. No suit for money, damages or a refund may be brought against the City until a written claim therefore has been presented to the City and has been acted upon or has been deemed rejected by the City, in accordance with this subsection. Only the person who filed the claim may bring such a suit, and if another person should do so, judgment shall not be rendered for the plaintiff.

F. Initiatives to Affect Tax.

Consistent with the California Constitution (art. XIIC, §3) the tax imposed by this ordinance may be affected by initiative. The procedures for qualification of such an initiative and the election on a qualified initiative shall be consistent with the California Constitution (art. 2, sec. 8), the California Elections Code (Chapter 3 of Division 9), and the Municipal Code. The minimum number of signatures necessary to qualify an initiative to affect the tax approved by this ordinance shall be equal to 5 percent of the votes in the City for all candidates for Governor at the last gubernatorial election. The election on a qualified initiative to affect the tax shall be a regular citywide election. An initiative affecting the tax shall be approved only if at least two-thirds of the votes cast on the measure are in favor of its approval.

Section 5. Severability Clause.

If any article section, subsection, sentence, phrase or clause of this Ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portion of this Ordinance. The voters of the Zone hereby declare that they would have adopted the remainder of this Ordinance, including each article, section, subsection, sentenced phrase or clause, irrespective of the invalidity of any other article, section, subsection, sentence, phrase or clause.

Section 6. Effective Date and Posting.

A. Canvass of Election.

The City Clerk shall commence the canvass of the returns of the special election as soon as the election is closed (on June 6, 2017, or when all qualified electors have voted) at the City Clerk's office. At the conclusion of the canvass, the City Clerk shall certify the results of the election.

B. Effective Date

This Ordinance shall take effect immediately upon its approval by two-thirds of the voters voting within the Zone in an election to be held on June 6, 2017, so that taxes shall first be collected hereunder for the tax year beginning July 1, 2017.
