### **BACKGROUND / DISCUSSION:**

Presently, the Mayor's Youth Leadership Council has resumed for the Fall 2017/Spring 2018 school year. We are working with Desert Hot Springs High School students regarding issues that impact youth in our community. We have a field trip planned to Cabot's Museum and a presentation with the DHS Historical Society. Additionally, they will be working with Mayor Matas, Mr. Mesicek and Commissioner Grant as the City Liaison for the program.
