The report itemizes the City's investment and cash holdings by fund. Current market values shown in the report are derived from the Local Agency Investment Fund (LAIF) reports, US Bank trust and custody statements, Wells Fargo Bank trust and custody statements, Wilmington Trust statements and Union Bank statements. Attached are the City's Treasurer's Reports (Exhibits 1 and 2) that provide this information for the month of May 2017.

The City is continuing to work to increase revenues, decrease expenditures and expedite cash receipts to provide sufficient cash to meet the City's needs.

This report reflects all cash and investments and is in conformity with the Investment Policy adopted by the City Council of Desert Hot Springs.
