Section 2. Conformation of Finding in Resolution of Intention. The City Council reconfirms all of its findings and determinations as set forth in the Resolution of Intention.

Section 3. Findings Regarding Protests. The City Council finds and determines that written protests to the proposed annexation of territory to the CFD No. 2010-1 and the levy of the special tax within such territory are insufficient in number and in amount under the Act, and the City Council hereby further orders and determines that all such protests are hereby overruled.

Section 4. Findings Regarding Prior Proceedings. The City Council finds and determines that all prior proceedings had and taken by the City Council with respect to the annexation of territory to CFD No. 2010-1 are valid and in conformity with the requirements of the Act.

Section 5. Levy of Special Tax. As stated in the Resolution of Intention, except where funds are otherwise available, subject to the approval of the qualified electors of territory proposed to be annexed to CFD No. 2010-1, a special tax sufficient to pay the costs of the Services (including incidental expenses as described in the Resolution of Intention), secured by recordation of a continuing lien against all nonexempt real property in CFD No. 2010-1, will be levied annually in CFD No. 2010-1. The rate and method of apportionment, and manner of collection of the special tax are specified in Exhibit B hereto.

Section 6. Apportionment of Tax. The special tax as apportioned to each parcel is based on the cost of making the Services available to each parcel, or other reasonable basis, and is not based on or upon the ownership of real property.

Section 7. Tax Roll Preparation. The office of the Administrative Services Director, 65950 Pierson Blvd, City of Desert Hot Springs, is hereby designated as the office that will be

responsible for annually preparing a current roll of special tax levy obligations by assessor's parcel number and that will be responsible for estimating future special tax levies pursuant to Government Code section 53340.2. The Administrative Services Director may cause these functions to be performed by his or her deputies, assistants, or other designated agents.

Section 8. Accountability Measures. Pursuant to Section 50075.1 of the California Government Code, the City shall create a separate account into which tax proceeds will be deposited; and the Finance Director annually shall file a report with the City Council that will state (a) the amount of funds collected and expended and (b) the status of the Services financed in CFD No. 2010-1.

Section 9. Special Election; Voting Procedures. The special election shall be held on March 20, 2018, and shall be conducted as follows:

(b) **Mail Ballot Election.** Pursuant to Government Code section 53327.5, the election shall be conducted as a mail ballot election. The City Council hereby ratifies the form of the ballot, which is attached hereto as Exhibit C.

At the conclusion of the canvass, the City Clerk shall declare the results of the election.

(e) **Declaration of Results.** The City Council shall declare the results of the special election following the completion of the canvass of the returns and shall cause to be inserted into its minutes a statement of the results of the special election as ascertained by the canvass of the returns.

D. METHOD OF APPORTIONMENT OF ANNUAL SPECIAL TAX

For each Fiscal Year, the City shall determine the total amount of the Special Tax Requirement to be levied and collected to pay the costs of providing the Services during the Fiscal Year and shall levy the Special Tax as determined by the actual cost of providing services as shown in Exhibit A on all Assessor's Parcels in all Land Use Categories and Maintenance Categories at the rates necessary to fully fund such costs; provided that such rates shall not exceed the Maximum Special Tax Rates for the Fiscal Year. In levying the Special Tax to fund the costs of providing the Services in each Fiscal Year, the City shall (a) determine the cost of providing the Services and the amount of the Special Tax per Benefit Unit to be levied on Assessor's Parcels in each Maintenance Category to provide such Services; (b) levy the Special Tax on all Assessor's Parcels in each Maintenance Category, as then applicable, based on the Benefit Units assigned to such Assessor's Parcels depending on the Land Use Categories to which they are assigned. The amount of the Special Tax to be levied on any Assessor's Parcel in any Fiscal Year shall be the total of the rates of Special Tax determined pursuant to clauses (a) and (b) above, to the extent that such clauses are applicable to the Assessor's Parcel, based on the Land Use Category and Maintenance Category to which the Assessor's Parcel is assigned and the Services which must be funded from the total amount of the Special Tax per Benefit Unit to be levied on all Assessor's Parcels in the same Maintenance Category to fund the costs of such Services.

E. FUTURE ANNEXATIONS

It is anticipated that additional properties will be annexed to CFD No. 2010-1 from time to time. As each annexation is proposed, an analysis will be prepared to determine the annual cost for providing Services. Based on this analysis, the property to be annexed will be assigned to the appropriate Maintenance Category and the appropriate Assigned Tax rate contained in Table 2.

F. TERM OF SPECIAL TAX

For each Fiscal Year, the Special Tax shall be levied in perpetuity as long as the Services are being provided.

G. EXEMPTIONS

The City shall classify as Exempt Property within CFD No. 2010-1, any Assessor's Parcel in any of the following categories; (i) Assessor's Parcels which are owned by, irrevocably offered for dedication, encumbered by or restricted in use by any public entity; (ii) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement; (iii) Assessor's Parcels which are privately owned but are encumbered by or restricted solely for public uses; or (iv) any Assessor's Parcel which is in use in the performance of a public function as determined by the Administrator.
