RECOMMENDATION:

Approve the reallocation of Entry Monuments Funds of \$21,520 as a committed fund into available funds of the Art in Public Places Fund.

BACKGROUND / DISCUSSION:

The Commission committed a total of \$28,000 from the Art in Public Places fund to contribute to the purchase of entry monuments for the City. Previous invoices were paid totaling \$6,480.

The entry monuments were erected and no further payments need to be made. That leaves the amount of \$21,520 which will be added back to the fund.
