

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF DESERT HOT SPRINGS, AMENDING CHAPTER 17.180 ALLOWING CERTAIN ADMINISTRATIVE APPROVALS FOR CERTAIN ENTITLEMENTS, CREATING A MORE STREAMLINED PROCESS FOR ALREADY APPROVED ENTITLEMENTS IN GOOD STANDING WITH THE CITY.

WHEREAS, the City of Desert Hot Springs ("City") is a charter city organized pursuant to Article XI of the California Constitution; and

WHEREAS, Chapter 5.50 "Medical Marijuana Facilities Regulatory Permit," of the Desert Hot Springs Municipal Code ("DHSMC") establishes standards for granting permits to Marijuana Facilities within the City; and

WHEREAS, Chapter 17.180, of the DHSMC establishes zoning regulations and development standards for Marijuana Facilities, as that term is defined, within the City;

WHEREAS, Senate Bill 94, the Medicinal and Adult-Use Cannabis Regulation and Safety Act ("MAUCRSA"), repealed the Medical Marijuana Regulation and Safety Act (California Business and Professions Code sections 19300-19360), and incorporated certain provisions of that act into the Adult Use of Marijuana Act (California Business and Professions Act sections 26000-26211); and

WHEREAS, as a result of the passage of the MAUCRSA, the State of California combined regulations for the use of medical and adult use marijuana into one regulatory scheme located under California Business and Professions Code sections 26000 to 26211; and

WHEREAS, the City adopted an ordinance, codified in Chapter 17.180 of the DHSMC to allow for manufacturing, testing, and distribution of both medical and recreational marijuana, in addition to cultivation and dispensing; and

WHEREAS, DHSMC Chapter 5.50 was amended to reflect the recent changes to Chapter 17.180 of the DHSMC; and

WHEREAS, several entitlements, such as Conditional Use Permits, have been issued or approved which only granted a specific use (i.e cultivation), but that does not allow the applicant to perform other uses of marijuana as so allowed in the DHSMC, such as manufacturing, testing or distributing without amending their entitlements, which would often require a public hearing; and

WHEREAS, the City Council adopted an Ordinance in 2016 allowing marijuana manufacturing facilities which desire to operate within an existing duly approved marijuana cultivation facilities to apply for a minor modification to their entitlements, to be approved administratively, so long as the added manufacturing use does not result in any additional impact or expansion of use or structure(s);

WHEREAS, similarly, in this proposed Ordinance, the City would like to allow holders of entitlements to be able to take advantage of marijuana uses outlined in Chapter 17.180 as so in compliance with all zoning requirements, as may be amended in a streamlined fashion by allowing entitlement holders to apply for a minor modification to their entitlements, to be approved administratively, so long as 1) the entitlement holder is in good standing with the City, 2) the added use(s) does not result in any additional impact or expansion of use or structure, and 3) is in compliance with CEQA; and 4) is in compliance with State Law.

WHEREAS, the City Council finds that the adoption of this ordinance is categorically exempt from environmental review under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15061(b)(3) because it can be seen with certainty that there is no possibility that the adoption of this Ordinance in question may have a significant effect on the environment; and

WHEREAS, this Ordinance protects the public health, safety and welfare.

WHEREAS, the City currently prohibits dispensaries in industrial districts; and

WHEREAS, the Planning Commission held a duly noticed hearing on this Ordinance and recommended that the City Council adopt same; and

WHEREAS, this Chapter is compatible with the general objectives of the General Plan and any applicable specific plan; and

WHEREAS, this Ordinance protects the public health, safety and welfare.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF DESERT HOT SPRINGS DOES ORDAIN AS FOLLOWS:
