Hello Michael,

Sam has forwarded to me your inquiry regarding the Happy Healthy Halloween event. Since I am the event chair this year, I can answer any of your questions. I've also reached out to Michael Burke to see how to get added to the CCAC agenda, if necessary.

Last year's \$500 donation was used to cover event expenses such as permits, marketing/promotions, generator and inflatables. We will be using any donated funds to cover the same expenses this coming year. The permits run approximately \$500, marketing/promotion was approximately \$650, the generator rental was \$550 and the inflatable were \$675.

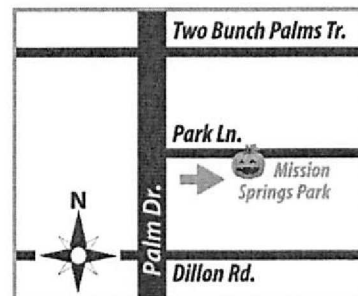

Any support the CCAC can give us would be greatly appreciated. I am happy to chat with you at your convenience if you have additional questions. If a check is to be written, it should be made out to the Al Horton Memorial Foundation

Best,

HAPPY HEALTHY HALLOWEEN
