RECOMMENDATION:

Approve Chair Michael Picardi and Commissioner Donna Wardean investigating two private property locations for Art in Public Places Mural installations.

BACKGROUND / DISCUSSION:

There are two properties that would be possibilities for an Art in Public Places installation:

- Corner of Mesquite and 5th Street (northwest)
- Corner of 4th Street and Palm Drive (southeast wall)

The Commission shall discuss and approve to allow Chair Michael Picardi and Commissioner Donna Wardean to discuss and negotiate with the property owners to have murals painted on their property.

After receiving approval from the property owners, a Request for Proposal would be drafted and presented to the Community and Cultural Affairs Commission (CCAC) at a future meeting for review and approval.

The Request for Proposal would then be sent out to the Art Community with parameters for the installation (i.e., historic/desert scene/patriotic/flower and fauna of the desert). Then after applications are received, the CCAC would approve an artist and their proposed mural. These mural projects would be funded through the Art in Public Places fund.
