QUESTIONNAIRE

To assess the expectations you have about serving on the City Council, and to understand the expectations other people will have of you as a council member, please respond to each of the following questions. If additional space is needed, please use a separate sheet of paper. If desired, a resume may accompany your application.

1. Why do you want to be appointed to the Desert Hot Springs City Council?

I have always believed that you serve the city you live in, in any capacity. I believe I can serve the residents of Desert Hot Springs as their voice on topics that reflect the need of the community. With my experience I can work with the City Council and Staff to not only tackle but support the issues that threaten/embellish our community. I would like to help support our community resources with services and outreach that we currently lack for our seniors, youth, homeless, mental health residents. It is an exciting time to be in the City of Desert Hot Springs

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

My experience on the Planning Commission with the City of Coachella has given me the insight on how the city functions on proper process to have responsible development and growth. during that time on the planning commission was the busiest time and most exciting time for the city of Coachella and proud to be a part of. My fellow Commissioners and I changed the residential standard for housing in Coachella by challenging the developers to bring bigger homes and amenities not common in the city. I have sat on multiple seats that were vital for the city and its future such as.

Project Review Committee Member, Youth Advisory Committee Chairmen.
It gave me satisfaction to really be apart of shaping the city and involving the residents in its process.
For the Last 19 years I have been employed for Child Protective Services with the County of Riverside,
and Excutive Boardmember for Local Seiu721 Union.

3. In your opinion, what are the most important issues facing the City of Desert Hot Springs?

Public safety:

I believe working with the community and law enforcement and local business to develop a task force to find resources and services for teenagers and young adults to participate in

Infrastructure:

Sidewalks, road improvement, Code Enforcement, bridges, public works

Responsible Development: affordable housing, mutli-use developments, single family homes

Community development: youth programs and services, parks and walkable community, trails C.v links

Economic development: businesses closing down, recycling the Desert Hot Springs dollar.

General plan: sphere of influence

4. What vision do you have for the future of the City of Desert Hot Springs?

Working with current Council, Staff, and the community to find the balance that best fits our city and city needs. I would like to see the residents heavy involve in city committees to shape the future. Have young adults get involve in our city to help create committees to give direction on the needs of the youth in our city.

A city put on the map for hiking trails, public art. Have the city lead in renewable energy in wind, solar, thermal technology. The city is on a positive track with growth and d evelopment and my experience could be utilize to shape Our vision.

Future shopping centers and open-air shopping concept on i-10 freeway to capitalize on town of town tax dollars .Thank you I believe my voice and outreach in the community would best service my city. It would be an honor to represent the city of Desert Hot Springs.

5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

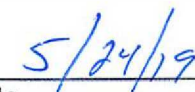

thank you for the hard work as a public service member you provide to the city, residents of Desert Hot Springs i know it is not easy to make difficult decisions that not everyone will be happy with but as long as you have the city of Desert Hot Springs at heart you have made the right decisions. thank you for your consideration.
