DESERT HOT SPRING CITY COUNCIL APPLICATION ATTACHMENT

INTERESTS, SKILLS AND ABILITIES

I have always been interested in my community from 10 years in the Girl Scouts starting at 7 years of age, thru my high school and college service in my church's children's programs continuing to my work with Medicare Programs. Doing all these varied community-based services, I have developed an openness and honesty that allows me to understand people's concerns, as well as, how to find the truth in their speak and how to facilitate a helpful and positive outcome for all parties.

ANSWERS TO QUESTIONS:

- 1) Why do you want to be appointed to the DHS City Council?

I have been coming to visit our Valley for 30 plus years and I LOVE IT! It's my home now! My passion is to assist/help in my city's growth. But most importantly growth in the right and correct direction for US - The City's Heartbeat! I am outspoken on issues I believe in, but just as outspoken on "maintaining" our City's Hometown Feel. Let me be part of this important and historic adventure.

- 2) How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

I LOVE MY CITY!

I am always traveling around the entire Coachella Valley. I see, especially now, our Sister Cities expanding, refurbishing, reinventing themselves in efforts to entice new businesses, tourists and our important Yearly Residents to spend time and money in "Their Cities".

With my extensive background in Law, Medical, PR, Sales and Marketing, I want to help make aka return Desert Hot Springs to "The Destination" - The Spa City!

- 3) In your opinion, what are the most important issues facing the City of Desert Hot Springs?

Not being left behind and pushed aside by the other Coachella Valley Cities.

I see the other cities in the Valley growing, expanding and embarking on beautification projects. DHS is in jeopardy of being ignored by Valley visitors. We have the special opportunity of living in one of the most desired places to visit/live in the world. We can not let these other cities pass us by. Afterall, who has mineral hot springs? Only DHS! Let's bring "The Spa City" back! Return The Spa City to its Glory!

4) What vision do you have for the future of the City of Desert Hot Springs?

My vision for the City of Desert Hot Springs is returning our city to the "Oasis in the Desert" we truly are. It was where people from all over the world would come to relax, regroup, rest and reinvigorate - The Spa City! Our mineral hot springs are a rare jewel we must embrace and make more accessible and appealing to visitors. I feel this alone would return visitors and new residents to our little oasis. This would also thru financial gains enable the City Council to make our city safer, more attractive, increase business development and allow the city to assist our residents with updates and improvements they need, i.e. better roads, more convenient access to national store chains, more police officers, etc.

5) I have a deep desire, passion to make DHS "The CITY in the Desert" to both visit and live while maintaining our "hometown, small town" demeanor. When given opportunity there comes great responsibility! Growth for growth's sake can be disastrous. I am as exuberant to help DHS grow as I am to protect her for our fellow residents. Let me be a part of this historic adventure!

Thank-you,
Deby Shoemaker
