Dear Mr. Torres,

CVAG has received a Notice of Preparation of a Draft Environmental Impact Report for the Desert Hot Springs Wind Energy Repowering Project. This project is within a Conservation Area of the Coachella Valley Multiple Species Habitat Conservation Plan (CVMSHCP). As a Permittee under the CVMSHCP, Desert Hot Springs is required to submit the project for a Joint Project Review (JPR) before considering the project for approval.

Please contact me if you have any questions.
