To the Planning Department,  
Glen Ludwig, Trustee of the Ludwig Family Trust has just entered into an agreement to sell the 64.91 acres on 20th avenue in Desert Hot Springs, parcel 666-370-019  
The C.U.P. was approved on 7 November 2017 as per attached letter.  
We have just submitted an extension on the above C.U.P. with the pertinent required fees.  
Due to timing issues (the buyer would like to be assured of the one year extension before complying with the terms of the contract of putting hard money into escrow!).  
Since time is of the essence, we, therefore, are respectfully asking the Planning Department to submit our request of extension to the Planning Commission on the September calendar.  
Thank you for the consideration
