2019 Mid-Year Code Compliance Synopsis

- Code Compliance and Cannabis Compliance have moved into the same Building and are now both operating under the Police Department, under one manager. Our goal is to have all Cannabis related permitting, inspections, and enforcement facilitated through our building.
- Cannabis Compliance is conducting quarterly compliance inspections for all Cannabis Facilities in the City.
- Code Compliance is working in tandem with MSWD to free easements of overgrown vegetation and trash. MSWD will be starting a large-scale district-wide meter change project in September and requires access to multiple easements throughout the City. Code will issue notices of violations to property owners whose easements are in violation.
- Code Compliance has been working hard to move over to the new Viewpoint software and anticipates going live by mid-September.
