Have you served on a City Commission or Board in the City of Desert Hot Springs or any other City?	Human Rights Committee	No	No	No	No	No
Have you ever attended a City Council meeting?	Yes	No	No	Yes	No	Yes

Applicant Name	Cathy J Barber	Eugene Earl Huffman	David Paul Grudzinski	John W. Stuart	David Richard Coffman	John Tinker
Have you ever attended a City Commission meeting?		No	No My wife and I moved to DHS and CA 1 year ago. We are now settled and want to help reach it's potential by serving the community.	Public Safety, Cultural Affairs and Planning	No Only "No" to the above 2 questions because I'm new here. For the previous 30 years I regularly attended Mission Viejo VFW Post 6024 monthly meetings while serving as the Post Advocate.	Yes
Describe your knowledge of the functions, regulations and procedures of the Commission/Board (your 1st choice) on which you would like to serve	Past experience at county level	The planning commission picks out what businesses will come in the city.	I have knowledge and experience of over 20 years of Development Review, Analysis & Compliance, Environmental Review, Long-range planning and Development Policies. I am adept at working within the compliane guidelines and statues. I have experience in all aspects of the planning board and value the team approach	This commission looks towards the future while checking on the past. To create buildings and structures the help make this city special while insuring the General oversight of zoning review and variances.	Sets the tone for the future in a community which seems primed to take off, shake off the past, and move to a better future for all residents.	Recommending projects .
What specific skills, attitudes, and experience do you think you have that will enhance the work of the Commission/Board	Contract analysis, budget review at county level, Program Development, Paralegal Certificate	I'm a realtor and I have worked with people all my jobs and I know how to handle difficult situations.	I am able to plan the developoment of land, procure the needed licenses and read and execute blueprints. I have experience to train, source, interview and supervise. I have been responsible for 169 warehouse, support staff, and worked ith vendors, contractors and planned entire communities. I feel very hopeful for the future success of DHS.	My years in the entertainment business would allow me to try to get more Films and TV to shoot here. We (They) need a theater. We could also use a Non-Acoholic music venue playing from Hardrock to TeleTubbies	I know how to get to the heart of an issue, identify potential courses of action and work toward a common reconciliation.	Ability to read, critical thinking and decision making. Ability to negotiate and form a consensus.

Applicant Name	Cathy J Barber	Eugene Earl Huffman	David Paul Grudzinski	John W. Stuart	David Richard Coffman	John Tinker
What specific issues or problems face the Commission/Board? Do you have suggestions to address these issues or problems?	Level of growth, Continuity of process, Constituent involvement	Nothing at the moment	DHS must plan the future of the community while addressing environmental factors and hazards. If we incentivize our neighbors through community programs, we can address some of these factors.	We need a Movie Theater	I'm the new kid in town. Now's the time to look, listen and learn. Ask me in three months.	Insure that we approve projects that reflect the needs of our city as outlined by our Mayor and Council.
