Re: 65090 & 65100 San Jacinto Lane, APN 665-030-016

To whom it concerns:

I am requesting an extension on 65909 & 65100 San Jacinto Lane of my CUP-30-17. We have had issues with the prior engineer and architect. I would appreciate your consideration in this request. We will proceed towards completion as soon as possible.

Respectfully,
