RE: MERJ LIFE Project Extension App
CUP 25-17

Dear Sir or Madame:

Please find enclosed my application to extend the CUP 25-17 for our real estate project located at 15742 Little Morongo Rd.

It appears that these documents are being submitted beyond the 30 day deadline.

Please allow this letter to serve as my request for a Good Cause waiver for missing this 30 day deadline. It is my understanding that the City Planning Department will process this application upon a showing of good cause.

In this case, I submitted the CUP application in a PDF email to the planning staff within the 30 day timeframe, but was not aware of the online application process that the city thereafter requested. Thank you for your cooperation in processing this application, and please feel free to contact me with any questions.

Sincerely,

A handwritten signature in black ink, appearing to be 'R. Csaftis', with a long horizontal flourish extending to the right.

Ryan Csaftis
