10.37.110. Potentially Dangerous or Vicious Dog Hearing.

If an investigating officer has investigated and determined that there exists probable cause to believe that a dog is potentially dangerous or vicious, the director shall give notice to the owner or custodian of the dog either personally or by first class mail with return receipt requested that a hearing will be held by an independent hearing officer appointed by the City for the purpose of determining whether or not the dog in question should be declared potentially dangerous or vicious and, if applicable, whether the owner or custodian of the dog should be prohibited from owning, possessing, controlling or having custody of any dog for up to three years.

Whenever possible, a complaint received from a member of the public which serves as the evidentiary basis for the investigating officer to find probable cause shall be sworn to and verified by the complainant and shall be made part of the hearing record before the hearing officer. The owner or custodian of the dog may present evidence as to why the dog should not be declared potentially dangerous or vicious. The hearing shall be held promptly

Said fine shall be paid to the City for the purpose of defraying the costs of the implementation of this chapter.

K. The hearing officer or court may impose such other reasonable conditions as are deemed necessary to protect the public safety and welfare.

D. Section 10.37.140 of the Animal Control Ordinance is hereby amended to read:

A. A dog determined to be a vicious dog may be destroyed by the department when it is found, after the proceedings conducted under Section 10.37.110, that the release of the dog would create a significant threat to the public health, safety and welfare.

B. If it is determined that a dog found to be a vicious dog shall not be destroyed, the hearing officer or judicial authority shall impose the conditions upon ownership of potentially dangerous dogs required by Section 10.37.130, the conditions required by this section, and any other conditions necessary to protect the public health, safety and welfare.

The restricted dog must meet all of the following standards in order for an unaltered restricted dog license to be issued:

4. The unaltered restricted dog has been adjudicated by a court or agency of appropriate jurisdiction, to be a potentially dangerous or vicious dog, or to be a nuisance within the meaning of the Lancaster Municipal Code or under state law;
5. Any unaltered restricted dog license held by the applicant has been revoked;
6. A female unaltered restricted dog has had more than one litter per year, or five or more litters in her lifetime;

The department shall refund one-half of the license fee when an application is denied. The applicant shall pay the full fee upon re-application.
2. When an unaltered restricted dog license is revoked, the owner or custodian of the dog may apply for a new license after a thirty day waiting

period upon a showing that the requirements of Section 6.08.030 have been met. No part of an unaltered dog license fee is refundable when a license is revoked.

The owner or custodian may request a hearing to appeal the denial or revocation. The request must be made in writing within ten (10) days after the notice of intent to deny or revoke is mailed. Failure to submit a timely written hearing request shall be deemed a waiver of the right to appeal the license denial or revocation.

2. Hearing officer. The hearing shall be conducted by the director's designee.

3. Notice and conduct of hearing. The department shall mail a written notice of the date, time, and place for the hearing not less than ten days before the hearing date. The hearing date shall be no more than thirty days after the department's receipt of the request for a hearing. Failure of the owner or custodian or his or her agent to appear at the hearing will result in forfeiture of the right to a hearing. The hearing will be informal and the rules of evidence will not be strictly observed. The department shall mail a written decision to the owner or custodian within ten (10) days after the hearing. The decision of the hearing officer shall be the final administrative decision.

B. Change in location of dog. If the dog is moved after the department has issued a letter of intent to deny or revoke, but has not yet denied or revoked the license, the owner or custodian must provide the department with information as to the dog's whereabouts, including the current owner or custodian's name, address, and telephone number.

**6.08.060 Transfer, Sale and Breeding of Unaltered Restricted Dogs.**

A. An owner or custodian residing within the city or conducting a transaction within the city who offers any unaltered restricted dog for sale, trade, or adoption must include a valid unaltered restricted dog license number with the offer of sale, trade, or adoption, or otherwise state and establish compliance with Section 6.08.010. The license number must also be supplied as part of a written agreement for the transaction to the person acquiring the dog.

B. The owner or custodian of an unaltered restricted dog over the age of four months, which does not have the registration papers identified in Section 6.08.030(C)(1), must demonstrate compliance with Section 6.08.020 prior to the transfer,

**6.08.070 Penalties.**

The penalties for violations of any provision of this chapter are as follows:

A second violation is a misdemeanor punishable by imprisonment in the county jail for a period not to exceed six months or by a fine not to exceed \$1,000, or by both such fine and imprisonment. Each subsequent violation within one year shall be considered an additional misdemeanor.

2. The owner or custodian of the unaltered restricted dog shall be responsible for the costs of impoundment, including daily board costs if it is determined that the owner or custodian is in violation of Section 6.08.020.

3. The costs of impoundment shall be a lien on the dog, and the unaltered restricted dog shall not be returned to its owner or custodian until the costs are paid.
