What specific skills, attitudes, and experience do you think you have that will enhance the work of the Commission/Board

My lengthy & successful career in both Sales, Marketing and Retention are one of my best assets. My job has always been dependent on making sure everything works corrects, completed on time, done without errors and maintain the best working relationship with all the parties involved. Never lost a client!

What specific issues or problems face the Commission/Board? Do you have suggestions to address these issues or problems?

Desert Hot Springs has a beautiful wealth of attributes we can & should share with others. Our mineral waters are first on my list. We need a larger footprint in the arena of spa resorts! We should look into a larger more prominent business to assist in marketing our "exclusive" product! Hot Mineral Springs! Via a large corporate player ie Hotel or Casino. We have the space! We have the product! We have the financial incentive with out less expensive but valuable land resource!
