Planning Commission
City of Desert Hot Springs
65950 Pierson Boulevard
Desert Hot Springs, California 92240

Dear Honorable Planning Commissioners,

Collective Solutions, Inc is respectfully requesting an extension of time for Conditional Use Permit No. 36-17. Due to certain changes that were placed on the project during the original meeting for the CUP's approval (Changes that fundamentally shifted the nature of the project's construction) we were forced to part ways with our partner and have been struggling to meet the new, expanded cost of our enterprise.

Sincerely,

David Jaramillo

David Jaramillo,
President
