Good Cause Letter

APN:665-040-016

To whom it may concern:

This letter is intended to extend the conditional use permit number (CUP 37-17) for the following cause,

- 1) Our goal and intent is to have a thriving business in the city to dessert hot springs
- 2) We have invested years and over \$750,000 to get to this point
- 3) engineers & architects are in the middle of Topo, grading,hydrology, water plan, construction drawings, etc
- 4) We have a pending California state license
- 5) Our team has put tremendous effort to get to were we are today and we have paid all our permits
- 6) I can show proof that we are moving forward with our project by showing proof of services paid.

These are some of the reasons why we are requesting to extent our cup permit.

Thank you in advance for your consideration.
